

How to Register New Company Account in vSource

Thank you for your interest in registering your company in vSource. This process is **for BRAND NEW COMPANY REGISTRATIONS ONLY**.

If your company name is already registered in vSource, please do not use these instructions. If you are not sure, please send an email to: sap.sourcing.team@verizon.com

If you already have vSource (Frictionless) access, login in there and **MODIFY** your profile with the **UPDATE** functionality. Do **NOT** use this form to submit an update to an existing profile. Do **NOT** use this form to update Certificates of Insurance or other certificates.

WARNING: Duplicate registration forms and certificate updates get **REJECTED** and are not processed.

For questions concerning this registration process please contact Ariba Customer Support:

North/South America: +1 412 222 6153 or +1 866 218 2155

Europe/Middle East/Africa: +44 20 7187 4144 (Toll Free number(s) & Country, go to **page 9**.)

Asia Pacific: +65 6311 4745 (Toll Free number(s) & Country, go to **page 9**.)

Step 1. Create a User Id and password at the “**Ariba Commerce Cloud**” environment; this will allow access to our company registration form where you will register your company. Note that this process will create your Ariba log in (which may be needed in the future). You will be instructed to create a Supplier Portal ID for vSource access after your Ariba company registration has been processed.

Click here to start registration: <http://verizon.supplier.ariba.com/register/>

Required questions are designed by an asterisk (*)

IMPORTANT NOTE: If your company has an **existing Ariba account**, click on **Login** button on the upper right hand side to add vSource; log in with your Username and Password, then on left hand side click on “**View customer requested fields**” link, otherwise go to **Step 3**.

Step 2. Ariba displays “**Enter Your Ariba Commerce Cloud Information**” screen.

How to Register New Company Account in vSource

Step 3. Fill out area 1 “**Enter basic company information**” such as your company name, address, product and service categories and ship-to or service locations.

2 Enter user account information

* Indicates a required field

Name * First Name Last Name Ariba Privacy Statement

Repeat Your Answer

Language English ⓘ The language used when Ariba sends you configurable notifications. This is different than your web browser's language setting, which controls the user interface and actions you initiate there. If you are the account administrator, then the preferred language setting also controls the section headings and field labels on purchase orders routed through Email or Fax.

By clicking the Continue button you expressly agree and understand that your data entered into this system may be transferred outside the European Union or other jurisdiction where you are located, as further described in the Ariba Privacy Statement. You have the right to access and modify your personal data from within the application or by contacting Ariba, Inc., as set forth in such policy.

Ariba will make your company profile, which includes the basic company information, available for new business opportunities to other companies. If you want to hide your company profile, you can do so anytime by editing the profile visibility settings on the Company Profile page after you have finished your registration.
