

How to Register in Ariba - Supplier Information Management System

If you already have an Ariba account please use that access when logging in and make the appropriate **MODIFICATIONS** to your account and answer the Verizon questionnaire. There is no charge to your company to register with Ariba and to participate with Verizon to manage your company's information.

For questions concerning this registration process please contact Ariba Customer Support:

North/South America: +1 412 222 6153 or +1 866 218 2155

Europe/Middle East/Africa: +44 20 7187 4144 (Toll Free number(s) & Country, go to **page 10.**)

Asia Pacific: +65 6311 4745 (Toll Free number(s) & Country, go to **page 10.**)

Step 1. Create a User Id and password at the "Ariba Commerce Cloud" environment; this will allow access to our company registration form where you will register your company. Note that this process will create your Ariba log in (which may be needed in the future). You will be instructed to create a Supplier Portal ID for vSource access after your Ariba company registration has been processed.

Click here to start registration: <http://verizon.supplier.ariba.com/register/>

Required questions are indicated by and asterisk (*)

IMPORTANT NOTE: If your company has an **existing Ariba account**, click on **Login** button on the upper right hand side to add vSource; log in with your Username and Password, then on left hand side click on "View customer requested fields">" link, otherwise go to **Step 3.**

Step 2. Ariba displays "Enter Your Ariba Commerce Cloud Information" screen.

How to Register in Ariba - Supplier Information Management System

Step 3. Fill out area 1 “**Enter basic company information**” such as your company name, address, product and service categories and ship-to or service locations.

2 Enter user account information

* Indicates a required field

Name * First Name Last Name [Ariba Privacy Statement](#)

Email *

Use my email as my username

Username * Must be in email format(e.g john@newco.com) ⓘ

Password * Enter Password Repeat Password Must contain a minimum 8 characters including letters and numbers. ⓘ

Secret Question * In what city was your mother born? ⓘ In case you forget your password, you can retrieve your password by using your security question. ⓘ

Your Answer

Repeat Your Answer

Language English ⓘ The language used when Ariba sends you configurable notifications. This is different than your web browser's language setting, which controls the user interface and actions you initiate there. If you are the account administrator, then the preferred language setting also controls the section headings and field labels on purchase orders routed through Email or Fax.

By clicking the Continue button you expressly agree and understand that your data entered into this system may be transferred outside the European Union or other jurisdiction where you are located, as further described in the Ariba Privacy Statement. You have the right to access and modify your personal data from within the application or by contacting Ariba, Inc., as set forth in such policy.

Ariba will make your company profile, which includes the basic company information, available for new business opportunities to other companies. If you want to hide your company profile, you can do so anytime by editing the profile visibility settings on the Company Profile page after you have finished your registration.

I have read and agree to the Terms of Use and the Ariba Privacy Statement

Enter user account information

Step 4. Enter your user account information, including your username, a password, and a secret question and answer.

Step 5. Read the Terms of Use Agreement and click the check box if you agree to the terms.

Step 6. (Optional) Print the Summary page for future reference. You can also print the Terms of Use Agreement.

Step 7. Click **Continue**.

Step 8. Screen displays: **Action Required:** Check your email inbox for a message from Ariba.

Write down your Username, Password & Secret Question Answer

Home | My Profile | My Account | My Company | My Suppliers | My Customers | My Orders | My Invoices | My Payments | My Settings | My Help | My Logout

Action Required: Check your email inbox for a message from Ariba

An email has been sent to [redacted]

Click on Activate link in the email to activate account and complete the Verizon - Sourcing - TEST requested profile.

If you do not receive an activation email:

- Check your junk mail folder or email filter settings to verify that automated emails from Ariba are not blocked from your inbox.
- Click Resend to have another activation email sent to you.
- If you have more than one email address, you can enter another email address and click Send. Your email address in your profile will be updated accordingly.

How to Register in Ariba - Supplier Information Management System

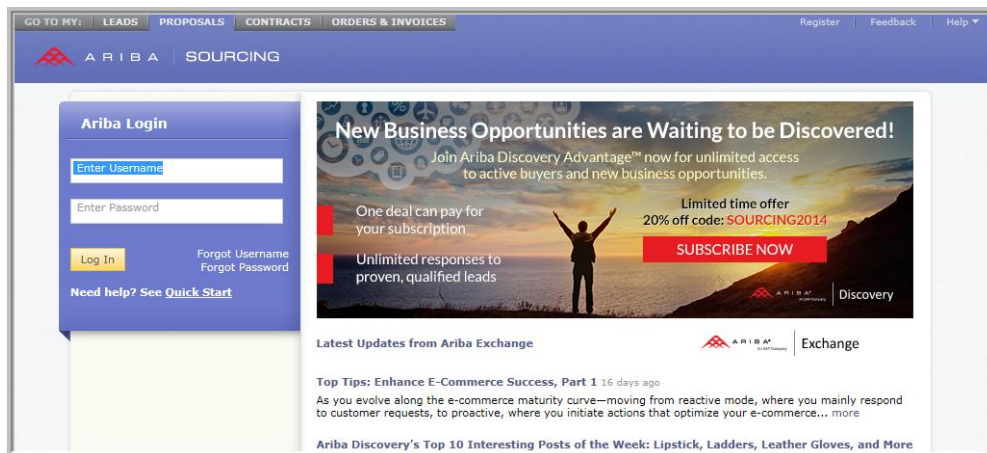

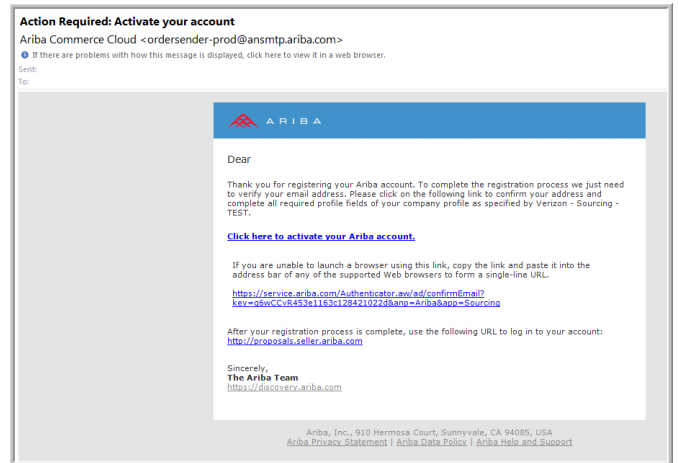

Step 9. Ariba Commerce Cloud sends you an email confirming registration of your account.

Step 10. Click the link in the email message. **"Click here to activate your Ariba account."**

- Screen displays: Your Ariba Commerce Cloud account is now active. Go to **Step 14.**

- Screen displays: **Link Expired.** Go to **Step 11.**

Step 11. If once you click on the link in the email it directs you to a **"Link Expired"** web page then click on link in the same email on the bottom <http://proposals.seller.ariba.com>

Step 12. Enter your Username and Password created in **Step 4.**

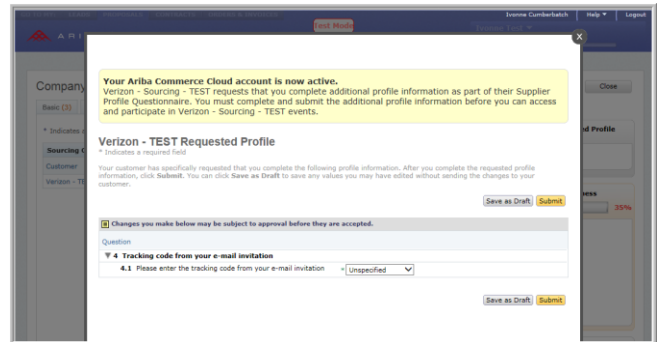

Step 13. Requested Profile Information screen displays. Click on link "Complete Requested Profile Information >>"

How to Register in Ariba - Supplier Information Management System

Step 14. Screen displays: Your Ariba Commerce Cloud account is now active.

Step 15. Go to actual registration form question **4.1** and **select the tracking code from your email invitation**; if no tracking code was provided select: Verizon Website

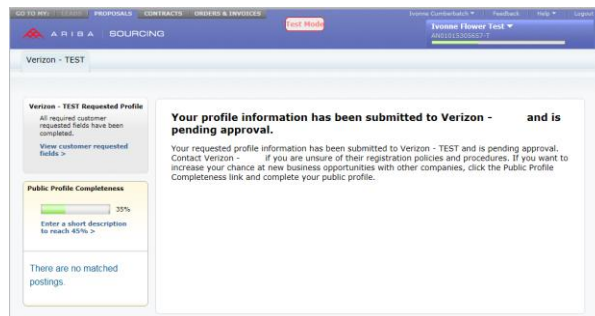

The screenshot shows a web browser window with the Ariba Commerce Cloud interface. A yellow banner at the top states: "Your Ariba Commerce Cloud account is now active. Verizon - Sourcing - TEST requests that you complete additional profile information as part of their Supplier Profile Questionnaire. You must complete and submit the additional profile information before you can access and participate in Verizon - Sourcing - TEST events." Below this, a section titled "Verizon - TEST Requested Profile" contains a question: "4.1 Tracking code from your e-mail invitation". The question text says: "4.1 Please enter the tracking code from your e-mail invitation". A dropdown menu is set to "Unspecified". There are "Save as Draft" and "Submit" buttons.

Step 16. Click **Submit**.

Step 17. The company registration questions form opens. **IMPORTANT NOTE:** Please **"Save" your form continuously** so you do not lose your entered data.

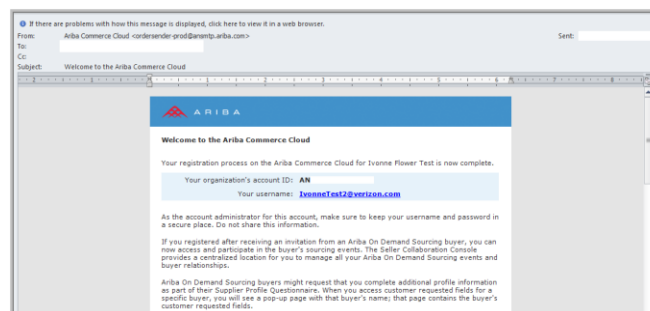

Step 18. Once you have answered all the questions, click on **"Submit"** button.

Step 19. The system will validate the form to make sure all required questions are answered. Errors are highlighted in red; please make sure to correct otherwise the company registration will not submit.

The screenshot shows the Ariba Commerce Cloud interface after submission. A message states: "Your profile information has been submitted to Verizon - and is pending approval." Below this, a "Public Profile Completeness" section shows a progress bar at 25% and a note: "Enter a short description to reach 45%." There is also a note: "There are no matched postings."

Step 20. A successful company registration returns screen with message: **Your profile information has been submitted to Verizon - and is pending approval.**

The screenshot shows an email from "Ariba Commerce Cloud" with the subject "Welcome to the Ariba Commerce Cloud". The email body contains the following text: "Your registration process on the Ariba Commerce Cloud for Ivonne Flower Test is now complete. Your organization's account ID: AN Your username: IvonneTest@verizon.com". It also includes a warning to keep the account secure and instructions on how to use the account.

Step 21. You will receive an email with Account ID and your username. Please note this is for future use only.

Step 22. Click on **Logout** on the upper right hand side of the screen.

How to Register in Ariba - Supplier Information Management System

IMPORTANT PLEASE READ: Once you complete your company registration by following steps above and it has been reviewed and processed by the Verizon administrator, you will receive an email alerting you to proceed with the second step (Supplier Portal Registration).

Verizon - Requested Profile

* Indicates a required field

Your customer has specifically requested that you complete the following profile information. After you complete the requested profile information, click **Submit**. You can click **Save as Draft** to save any values you may have edited without sending the changes to your customer.

Changes you make below may be subject to approval before they are accepted.
